## Speaker Options

Registrations for the forthcoming conference are building up well with currently 113 registrations in before the end of February. At a recent meeting it was suggested that as many Canterbury Branch members have previously visited the the properties on the field visit programme, it would be a good idea to offer 'speaker only' options.

Below is the speaker programme. Please read carefully, and if you wish to attend fill in the form on the other side of this page and return to the NZTCA Conference Office.

Attendance is by ticket only – no door sales as numbers are required for meals and morning teas. If you wish to invite friends to the speaker programme they are most welcome.

### Friday 26 March Speakers' Morning Session
